

LaSalle High School Offers Fall SAT and ACT Prep Courses:

Test preparation is no different than any other skill: The more the student practices, the better the student becomes. Based on this premise, LaSalle is offering focused, standardized test preparation courses. Our approach involves testing, skills review, problem solving, concepts and strategies, and practice materials. The course is open to LaSalle, McAuley, and Mercy senior students who intend to take the October 10th SAT or the October 24th ACT. We advise juniors to wait until our Winter/Spring sessions.

Students should choose either the SAT or the ACT prep option.

SAT classes are Tuesdays, from 5:30-8:30 P.M. Sessions are August 25; September 1, 8, 15, 22, and 29; and October 6.

ACT classes are Saturdays, from 9:30 A.M.-12:30 P.M. Sessions are September 5, 12, 19, 26; October 3, 10, and 17.

Registration is open from June 27-August 8. The fee for each of the courses is \$350. Late registrations will be accepted until August 15, with a late fee of \$375. Students who previously attended the 2009 Winter/Spring SAT or ACT courses may attend the teaching sessions without an additional fee, but they should still register.

A student and his/her parents are required to sign a commitment form, which will be mailed with the course information and must be submitted at the first session so that the student is able to continue to participate in the classes. We have found the course to be most beneficial for students who are personally motivated to devote the time required for the sessions.
